

TUITION FEES 2024-2025

Tuition fees are based on a 181-day school year divided into **ten (10) equal monthly installments.** Families are responsible for their Tuition commitment, which they have contracted on ProCare. Once accepted, contracts can only be rewritten for fewer days or a reduced time slot due to extenuating circumstances.

If modification of scheduling is requested, and can be accommodated, a \$25 administrative fee will be incurred. Tuition is due on the first of every month (except for the first month, which will be paid at time of Registration), you will be receiving an invoice monthly via email.
